Jamboree-on-the-Air, or JOTA, is the largest Scouting event in the world. It is held annually the third full weekend in October. JOTA uses amateur radio to link Scouts and hams around the world, around the nation, and in your own community. This jamboree requires no travel, other than to nearby Tunnel Mill Scout Camp.

Attend as a unit or as a family:

Unit can take advantage of the some or all the activities at JOTA, including games, Amateur radio and STEM activities. Stay all day or come to the event for a few hours.
